

Toy Guidelines:

- **No stuffed animals please**
- Toys should be sturdy. Avoid toys which can break and leave sharp edges.
- No toys should be made of glass or brittle plastic.
- Avoid toys with sharp edges or protrusions which can be poked into eyes
- Painted toys should be non-toxic
- Toys should not have parts which can pinch fingers or toes or catch hair
- Any glue or paint in craft kits must be non-toxic
- Toys with numerous small parts which require close supervision are not appropriate
- “Humorous” medical toys and games cause fears and misconceptions and are therefore inappropriate
- Toys should not be spark-producing or friction-producing
- We do not accept aggressive toys, e.g. toy weapons, violent video games/movies
